

Nation Team 2020-2021

The structure of the Swedish National figure Skating Team beginning in the 2020-21 season will begin to match the World standards and will be based on performed scores and score potential. Athletes on the National Team will have demonstrated during the 2019-20 season that they earned their positions on the team based on performance.

The athletes in the National Development Team will earn their position on the team based on their performance delivery during the 2020-21 season. Every athlete in the Swedish Figure Skating Association can earn a position in the National Development Team program at any point during the 2020-21 season. Athletes that demonstrate the performance level and criteria associated with the National Development Team during the 2020-21 season will be added into the program throughout the season.

National Team

Athletes who have achieved one or more the following criteria will be appointed to the 2020-21 Swedish Figure Skating Association National Team.

- Selected by the Association to represent Sweden at the ISU European Championships in the 2019-20 season
- Selected by the Association to represent Sweden at the ISU World Championships in the 2019-20 season
- Qualified by the ISU to participate in the 2020-21 ISU Grand Prix Series

- Men attaining a total combined score of 190 points internationally or 200 points domestically during the 2019-20 season

The Swedish Figure Skating Association and the International Committee reserves the right to waive these requirements in extenuating circumstances.

National Development Team

The Swedish Figure Skating Association will conduct an open invitation and try-out for athletes to represent the Swedish Figure Skating Association internationally for the 2020-21 ISU Junior Grand Prix series and targeted 2020-21 ISU international events at the Junior and Senior levels. The process for the open invitation will be as follows:

- An application form will be submitted by the athlete's coach, via email to the Swedish Figure Skating Association (Patrick.malmquist@skatesweden.se) requesting participation in the National Development Team try-out. The application form will be available to download June 1, 2020 from the Swedish Figure Skating Association's website. The application submission period will begin June 5, 2020 and end June 24, 2020. The application will include, but not limited to, athlete information summer training locations, coach information and 2019-2020 competition results.
- Individual videocalls with athlete, coach and athlete's guardian will be organized by the Association. Each athlete, parent and coach will receive an information package no later than July 14, 2020 with the details of their videocall.
- Short and Free programs will need to be completed and demonstrated via video and sent to Swedish Figure Skating Association during the month of August. The programs should be skated with all elements.
- The athletes will be ranked on their performance at the first national event (Elitserien) and will earn their opportunities to represent Sweden internationally based on their 2020-21 skill levels. Performances of the short and freeskate programs will be a factor in the decision process.
- Assignment for targeted fall 2020 and spring 2021 international events will follow the try-out process. These athletes will be funded based on their try-out ranking and will be classified as National Development Team for the 2020-21 season.

The athletes applying for the National Development Team must demonstrate the ability to achieve the following combined score for the 2020-21 season, during their try-out period.
